

## Marimend 5

### Natural Oropharyngeal Ulcer Healing Spray

### Suitable for Ruminants

### Topical Spray

#### Ingredients:

- Calendula officinalis Extract
- Glycyrrhiza glabra Extract
- Propolis Extract

Marimend 5 is a 100% natural spray that heals all kinds of wounds in the mouth, gums, tongue, and pharynx in cattle, sheep, and goats. The main ingredients of this product include Calendula, licorice and Propolis extracts, which have extensive anti-inflammatory, antibacterial and antifungal properties. This product is formulated in a way that by creating a protective film on the wound or injury, it prevents further irritation and reduces the pain caused by the injury. In addition, by increasing epithelialization and angiogenesis, reducing inflammation, inhibiting free radicals and preventing the growth of microbes in the damaged area, it helps the wound healing process. Marimend 5 is free of any kind of toxicity and there are no synthetic chemicals, preservatives or antibiotics in its formulation. Therefore, it can be used in sensitive conditions like pregnancy, milking, newborns and young animals, and even weak physical conditions.
